Vocabulary

Grade Levels: K-5

TEKS

ELAR – Knowledge and Skills Section 3: Developing and sustaining foundational language skills: listening, speaking, reading, writing, and thinking – vocabulary.

OBJECTIVE

Class will work together to identify and learn vocabulary words.

ACTIVITY

As a class see if you can define these vocabulary words.

- If you do this beforehand, go back afterwards to them to figure out if the class gave the right definition. If they did not see if they can come up with a new definition
- If you do this afterward, see if students can remember or infer the meaning after watching the play.
